Just a reminder we have an OPTIONAL video conference today at 11 am. The information is on the Google Classroom. This week you have a GRADED assignment due Friday, May 1st. It will receive a numerical grade. On Wednesday, I will assign something else that may help you with the graded assignment. For Friday, please do the following:

Using your textbooks and/or notes from the past, please:

1. Compare how Judaism spread, Christianity spread and Islam spread to other places outside the location where they all originated;
 - a. In your comparison, please state who was responsible for its expansion and the method(s) they used;
 - b. Lastly, provide one (1) reason why each religion may have used that method over another method.
2. Should be at least half a page but no longer than a full page. Do not need an introduction or conclusion.

Please either email me your response or post it like some of have on Google Classroom.

Miss you guys!
